ARCHBISHOP'S APPEAL FOR FLOOD VICTIMS IN MOZAMBIQUE

Dear brother in Christ

The attached letter from the Archbishop to our Provincial Council Meeting (PCM) refers. The Archbishop had written a letter to our guild appealing for financial assistance to the flooding victims in Mozambique.

Our PCM held in Port Shepston on 20-21 February 2015 resolved that all the guild members in our dioceses must also be given an opportunity to **donate a minimum of R20** to this cause. This would be processed by diocesan Treasurers to be consolidated as our financial donation towards assisting the affected families.

Dioceses are urged to facilitate these donations, and deposit them as indicated in the letter written by the Archbishop. Kindly ensure that all the money is deposited into the account indicated, and the proof of payments forwarded to PEXCO for record keeping.

We remain contactable should you need more information in this regard.

Yours in the ministry of Christ

ON BEHALF OF PEXCO
