18th March 2016

Dear Bishop Steve,

Re: APPOINTMENT AS LIAISON BISHOP OF ST. BMMG

St. Bernard Mizeki Men's Guild would like to take this opportunity to congratulate the Bishop on your appointment as the Liaison Bishop of this gargantuan men's guild of the Anglican Church of Southern Africa and in the same vain the Guild would like to warmly welcome the Bishop with the hope that the Bishop will appreciate being an important part of this organisation.

The Guild hosts four meetings per annum, two Executive meetings and two Provincial Council meetings. These meetings are rotating between Inland and Coastal towns, these meetings are also planned strategically that a number of Dioceses are reached between the conferences. The Guild conferences are triannual and they also rotate as per the meetings of the Guild. The Right Reverend Bishop Steve is most welcomed to attend any of these meetings at any given time, the Guild's Provincial Executive will keep the Bishop informed of all its activities.

Attached to this communique is our schedule of meetings, that of the PEXCO and Provincial Councils.

On behalf of PEXCO

Provincial Secretary
