The Diocesan Executive
Diocese of Mzimvubu

12th July 2016

Dear President, Chairman and the entire DEXCO

Re: PROVINCIAL EXECUTIVE MEETING

The Lord be with you!

The Provincial Executive Committee would like to thank you for hosting us in your Diocese. The manner in which you have hosted us is impossible to explain. It is most appreciated the fact that you prioritized us more than your own personal businesses that you were supposed to have taken care of over the weekend. Our visit in your Diocese was also an eye opener, we have always thought we know what it means to be servants of God but you actually taught us much more. It is you who pointed to us the divisions that are existing in your Diocese but the manner in which you hosted us those divisions could not be proven.

The Provincial Executive Committee reiterates its stance in assisting you in your challenges as per the meetings that were held between your good selves and the Provincial Executive Committee.

Mathol' anyongande kukudlelana, nangamsol!

Thank you very much,

On behalf of PEXCO

Provincial Secretary
Fezile Maki
