Dear President, Chairman and the entire DEXCO

Re: MESSAGE OF SUPPORT

The Lord be with you!

It is with great pleasure and joy to write to you knowing very well that you are currently in a joyous, celebratory and holy mood.

The Provincial Executive Committee of St. Bernard Mizeki whom is your servant that God has chosen to serve you in this magnanimous organization would like to assure you of their full support over the next few days you will be gathering together in St. Ninians, Somerset East.

Anglicanism has taught us that our faith begins with prayer thus the emphasis on our Doctrine, "*lex orandi, lex credendi*" which is rooted on three legs, scripture, tradition and reason. A servant will only be able to serve should these principles be adhered to as Jesus Christ our Lord was a custodian of such. Anglicanism has also taught us that we may not conform in some areas of worship, discipline, ethics, doctrine but we are people of communion through Christ. It is this reason that PEXCO would like to echo its support to your Conference, that even if some of the members are not physically present in your Conference but in spirit we are with you.

We have prayed for the success of your Conference and we believe that it is going to be a success.

On behalf of PEXCO

Provincial Secretary
Fezile Maki
