ST. BERNARD MIZEKI MEN'S GUILD

PROVINCIAL CONFERENCE 2014

25/06/2014

Greetings to you all my dear brothers in the name of the Jesus Christ

Thank you for participation at Conference 2014

The President, Revd Elliot Masoka and the entire Provincial Executive Committee wish to thank all of you for making this 2014 Conference a success. We are grateful to you for sacrificing all your daily routines and making the conference a priority in ensuring that it becomes a success. It would have been a “no-conference” without you. **THANK YOU.**

We wish to also thank the Lord for His travelling mercies and ensuring that we all reach our homes safely and to be with our families. Despite the challenges faced by the Diocese of Lesotho on their way home when they were involved in an accident, our God secured them from a possible tragedy. We continue to praise the Lord for their safety.

Diocesan conferences

As it has been a practice in the guild, we all understand that the three year term of office is coming to an end during the remainder of this year. It is therefore expected that all dioceses will be having their elective conferences between now and the end of the year 2014. We would like that all dioceses to please inform PEXCO of the dates for their conference. Led by the Provincial chaplain, we would like to establish a special prayer which calls on the Holy Spirit to discern upon diocesan conferences.

It is also understood that some dioceses have already completed their conferences, we wish to congratulate those and we look forward to meeting the renewed PCM delegations in the coming term. For those that have elected, could they kindly complete the attached form with details of their diocesan leadership please?

Next Provincial Conference 2017

For those who have missed the announcement of the next Conference on Sunday, please take note that it was announced that the next Conference will be hosted by the Diocese of Kimberley and Kuruman in 2017.

Also note that the schedule for the Provincial Council Meetings will be communicated to you soon after the PEXCO meeting scheduled for August 2014. We can confirm that the first PCM will be in February 2015, by which time all the dioceses are expected to have concluded their conferences and inducted the new teams of leaders.

Conclusion

PEXCO wishes to thank the outgoing PEXCO and PCM members for serving the guild in the last three years, Please continue to serve the Lord in everything you do, live the values of

Bernard Mizeki in your way of life, and continue to shine and be bright in the corner where you are.

Yours in the ministry of Christ
