## EXECUTIVE REPORT TO PCM

4-5 March 2016

### 1. LIAISON BISHOP [for noting]

*Appointment of the new Liaison Bishop Steve of Johannesburg*

### 2. DISTRIBUTION AND TRANSLATION OF SERVICE BOOK & TRAINING MANUAL [for commissions]

The 2 portfolios need to commit to this process and timelines once and for all. The commission should discuss when and how this is to happen.

### 3. BEREAVEMENTS [for commission]

The commission of chaplaincy must propose how the guild should react to bereavements. We had bereavements during the term and we have been reacting inconsistently.

### 4. NPO REGISTRATION

We hope to be providing some feedback by the time of PCM as per our PEXCO discussions.
